

Woodlands Robotics Refund Policy

All refund requests must be made in writing at least 2 weeks before the 1st day of camp for your child. If the request is made in advance the camp payment will be refunded minus a \$50 registration fee. Any requests made less than 2 weeks prior to the start of camp for your child will not be refunded. There is a lot of planning and materials that have to be purchased in advance, and we often have to turn others children away to save your spot. We will always try to be flexible and accommodating whenever possible.

Thank You for Your Understanding.

Sincerely,
Katie Kelley
